

SITE QUALITY MANAGER

Quarry Rd, Te Puke

EastPack
WORLD CLASS ORCHARD TO MARKET

EastPack is a well-established grower-owned Kiwifruit packing and coolstorage operation with facilities in a number of locations in the Bay of Plenty and Northland.

A permanent position has become available leading our Quality team at our Quarry Rd site. Reporting to the Site Manager, the key focus for this role is to ensure compliance and product quality is maintained throughout our packing and coolstore operations enabling us to deliver product that meets both internal and Marketer specifications. This role is also responsible for implementing and managing onsite quality systems and food safety management.

Applicant skill and experience requirements:

Our ideal candidates will have:

- The ability to manage a team and relate to a wide range of people
- Excellent verbal and written communication skills
- Good computer literacy skills and an attention to detail
- An enthusiastic and hardworking approach to work and the ability to work flexible and sometimes long hours (including weekend work)
- A strong focus on internal customers and inter-departmental team work
- Excellent organizational skills with the ability to make sound decisions while under pressure

Additional skills that would be valuable:

- A working knowledge of Zespri Quality Assurance systems
- Knowledge of Documented Operating Systems
- ZAP and MPI Accreditation

This is an exciting opportunity to join the Quarry Rd team and be part of a fast paced and rewarding environment. Experience in the kiwifruit industry is preferable
