

# READY TO JOIN A SAFE AND HEALTHY TEAM?

We're looking for an experienced and motivated **Health and Safety Advisor** to join the team based at our state-of-the-art packhouse in Washer Road, Te Puke.

The key focus for this role is to provide health and safety (H&S) support and advice to the EastPack regional sites and to help educate, influence and ensure the company's H&S strategies are being adhered to. Reporting to the H&S Manager, this role provides the bridge between EastPack's H&S systems and procedures and implementation of those in the field. Our ideal candidate will be pragmatic, observant and possess strong relationship building skills.

## **Applicant skill and experience requirements:**

- Working knowledge of current legislation, as well as H&S management principles and practices
- A formal H&S or related qualification
- Knowledge and proven experience delivering H&S training
- Strong computer and presentation skills
- Excellent verbal and written communication skills
- Strong leadership skills to Good technical and basic computer literacy skills.
- Critical thinking and problem solving skills – ability to manage change
- Ability to generate, interpret and communicate H&S stats and trending
- Proven experience in leading/facilitating incident investigations
