Te Puke

**EastPack**  
WORLD CLASS ORCHARD TO MARKET

EastPack is a well-established grower-owned Kiwifruit packing and cool storage operation with facilities in a number of locations in the Bay of Plenty and Northland.

Reporting to the Chief Financial Officer, this role is a key link between management, finance and operations. The role is based in Te Puke but supports business units from Northland to Opotiki. This role requires the applicant to build successful relationships with the production and supply teams to provide accurate, timely and meaningful management information to the wider business. The role requires hands on assistance with budgeting, forecasting and providing meaningful commentary on variance explanation.

## Applicant skill and experience requirements:

- Preferably CA qualified or other similar international qualification
- At least 5 years' experience in a production based industry, preferably kiwifruit.
- Excellent written and verbal communication skills.
- Have demonstrated the ability to re-engineer system processes
- Have a good understanding of data flows and interaction within multiple IT systems
- Ability to work well under pressure in managing conflicting priorities and workloads
- Ability to interpret and present financial data and analysis
- Comprehensive computer skills, particularly advanced excel and database skills
