

# PACKHOUSE MANAGER

## Opotiki

**EastPack**  
WORLD CLASS ORCHARD TO MARKET

EastPack is a well-established grower-owned Kiwifruit packing and coolstorage operation with facilities in a number of locations in the Bay of Plenty and Northland.

An exciting opportunity has arisen in the Eastern Bay of Plenty for an innovative Packhouse manager to make their mark in the Kiwifruit industry. Based at EastPack's Opotiki site, this permanent role would suit a proven achiever with a strong work ethic, who is willing to play an integral part in helping their team accomplish leading industry results.

This opportunity would suit candidates, experienced in the Kiwifruit industry, who are looking for the next career enhancing step in a challenging occupation. The Opotiki site is currently undergoing considerable capital investment, including the installation of an 8-lane presizer and Invision grading system – this will provide the successful applicant with unique challenges and scope for making a strong, positive impact on this role.

For the right applicant, the remuneration package will be negotiable based on skills and experience.

### Experience and Knowledge of:

- The Kiwifruit industry especially health and safety and packhouse production requirements
- Budget management and control
- Computer, numerical and literacy skills

- Excellent organisational and time management skills
- Mechanical aptitude - proactive and good at problem solving
- Strong people and plant management skills with ability to remain calm under pressure
- Able to work flexible and sometimes long hours
