

# Laboratory Assistant

Washer Road, Te Puke

**EastPack**  
WORLD CLASS ORCHARD TO MARKET

EastPack is a well established grower-owned Kiwifruit packing and coolstorage operation with facilities in a number of locations in the Bay of Plenty and Northland.

We have a seasonal position available from approximately March to October 2017 (Monday to Friday) in our ethylene testing laboratory based at Washer Road in Te Puke.

Reporting to the Ethylene Testing Laboratory Manager and operating a modern Gas Chromatograph instrument, this role predominantly involves the testing for ethylene levels in air samples supplied by EastPack Limited coolstores and other Industry wide sites.

With the potential to lead to other employment opportunities within the Fruit Optimisation Department, this role will provide great knowledge and experience for the successful applicant.

Full training will be provided with the intention to retain the right applicant for ongoing seasons.

## Applicant skill and experience requirements:

- An ability to communicate effectively
- Good computer skills
- Flexibility to work outside normal working hours (8am – 5pm) as and when required
- An ability to work unsupervised
- Punctuality

### Applications to: Ian Raeburn

EastPack Washer Road, PO Box 243, Te Puke 3119
