

Good with DATA? Great LEADER?

**We're looking for an experienced, motivated
Data Management Leader to join the
Production Team at EastPack's Quarry Rd site.**

EastPack is the leading grower-owned Kiwifruit & Avocado packing and cool storage operation with facilities in a number of locations in the Bay of Plenty.

The key focus for this role is to manage the Electronic Data Interchange (EDI) team and processes, recording and tracking fruit from onsite arrival to export markets. Reporting to the site manager, the Data Management Leader position would suit someone with a positive attitude, and strong data analytical skills.

Our ideal candidate will enjoy working in a fast-paced but rewarding environment and be adept at dealing with multiple tasks and demands.

Applicant skill and experience requirements:

- Competency in leading, coaching and organising teams
- Experience working within the kiwifruit industry
- Understanding of how to achieve cost and quality targets
- Attention to detail and problem solving abilities
- Driver of continuous improvement
